Water storage

628

New wells drilled

412

Wells rehabbed

827

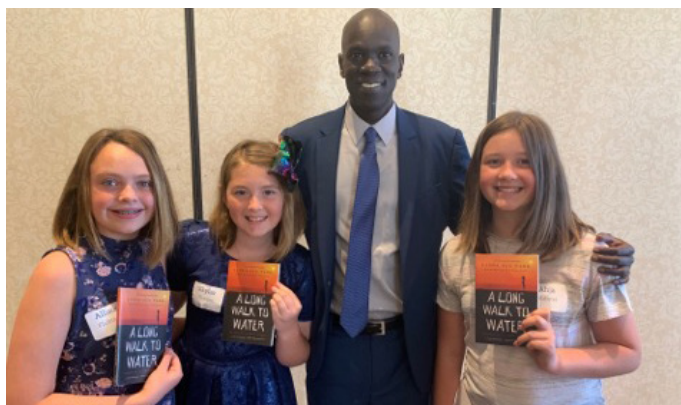

Hygiene trainings

2

School latrines constructed

2

Water storage & distribution systems

About our founder

Salva Dut is a former “Lost Boy of Sudan” who came to the US as a refugee. After his father almost died from a waterborne illness, Salva started WFSS with a dream to drill one well for his father. Once he drilled that well, he kept going. Read Salva’s story in Linda Sue Park’s bestselling novel *A Long Walk to Water*.

2003: Founded as 501(c)(3) US not-for-profit in Rochester, NY

2005: Drilled first water well in South Sudan

2014: Launched hygiene education teams

2017: Established well rehabilitation team

2018: Implemented latrine project at Zogolona Primary School

2020: Obtained NNGO registration status in South Sudan

2021: Completed first solar-powered water storage system

2021: Partnered with UNICEF, Oxfam, ACF, and IOM in WASH

2022: Partnered with Carter Center and Norwegian Church Aid

2023: WFSS becomes Sudan refugee camp WASH responder
