

Dear _____,

I am hosting a fundraiser celebrating Water for South Sudan's 20th birthday. I learned about the organization while reading *A Long Walk to Water* by Linda Sue Park. Water for South Sudan is doing such important work in a country that continues to experience war, hunger, and, increasingly, the effects of the changing climate. We have lots of clean water, but in their very hot climate, water is scarce – especially clean water. Please help me provide clean water to rural South Sudan communities by donating today! To learn more about this organization, visit waterforsouthsudan.org.

Please consider helping me celebrate the milestone by donating cake, snacks, drinks, or decorations. If you'd rather make a cash donation, there are several ways below to do this.

Thanks for your help. These parties are happening worldwide, and it would be amazing if you could help mine be a success.

I will follow up in a few days, and my parents and I will pick up your donation a couple of days in advance of our party on _____, 2023/2024.

Sincerely,
